"list" means a register of electors or revised register of electors;

"occupier" has the same meaning as in section 10(4) of the Act;

"qualifying address", in relation to any person, means the address to be entered pursuant to paragraph (5) of regulation 30 in a register or in any list opposite the name of such person;

"register" means a register prepared under section 13(1) of the Act, and includes a revised register or a register for elections;

"registration record card" means the record of registration of a person registered under these Regulations, and "national registration record card" and "electoral registration record card" mean the original and duplicate respectively of such registration record card.

RESIDENTIAL QUALIFICATIONS

3. For the purpose of registration under the Act, a person shall be deemed

8. Notwithstanding anything contained in these Regulations, the Chief Registering Officer or the registering officer for a constituency may require enumerators to visit any house within the polling districts assigned to them for the purpose of ascertaining whether persons whose names appear in any list still reside in a particular polling district or are still alive, or for such other purposes under these Regulations as the Chief Registering Officer or the registering officer for the constituency may require.
